## RECTOR'S REFLECTION - SEPTEMBER/OCTOBER 2025

This Newsletter is odd, as we're going to try to combine two months' worth of things into this one! Why? Because I will be on vacation from September 12<sup>th</sup> through the 24<sup>th</sup>, and Debbie will be out of the office from September 19<sup>th</sup> through October 5<sup>th</sup> – so we're going to try and cram in as much as we can into this, but please keep in mind things change and are fluid so please listen at "Announcement Time" and keep an eye out in the bulletins for things that may not be mentioned or highlighted well in this Newsletter.

For many of you we have been spending some time during our Adult Faith Formation time (yes, it is a thing and we have at 9a on Sundays in the Meeting Room; and take this as your sign to come!) with the podcast *Secular Christ*. While a slightly odd title for a podcast it gets one thinking. Season 3 has been especially thought provoking in that it takes us back to the first two centuries of the Church's existence. We have spent some time listening and discussing the how and the why of the Church's expansion prior to the Edict of Milan in 313AD (the Edict made Christian the "state religion" of the Roman Empire under Constantine). This proliferation of the Church and her teachings happened despite public persecutions and horrific martyrdoms. The natural thought would be that if the Church thrived under persecutions, then it would grow like wildfire in freedom. It did continue to spread, but the bulk of the Church's time was spent in infighting and the labeling of heretics. The discussions that have taken place have wrestled with the question – how do we get back to that infant church's desire and look forward and prepare for the 2<sup>nd</sup> coming of Jesus (the fancy Greek word *Parousia*)?

We're thankful for:

- ◆ Julie Eastlake fielding any pastoral emergency calls from the 19<sup>th</sup> through the 24<sup>th</sup>;
- ◆ Rev. Carol Fleming for agreeing to cover the services on Sunday, they 14<sup>th</sup> and for Shantel Light for agreeing to preach (note there is no Saturday evening service this weekend);
- ◆ For the folks from Food for the Poor for agreeing to cover services on September 21<sup>st</sup> (note there is no Saturday evening service this weekend);
- ◆ For Fr. Mike for taking any pastoral emergency needs during this time; and
- ◆ For all of you for allowing us to get away and spend some much needed time with our loved ones.

As we begin the "ber months" there are some things of note to keep on your radar:

- ◆ No Saturday Vigil Masses on the 13<sup>th</sup> or the 20<sup>th</sup>
- ◆ No Weekday Masses from the 15<sup>th</sup>-24<sup>th</sup>
- ◆ Our Mass schedule is back to normal on Thursday, September 25<sup>th</sup>
- ◆ There is a Vestry Meeting on Sunday, September the 28<sup>th</sup> at 11a in the Meeting Room
- ◆ Blessing Pets on October 4<sup>th</sup> and 5<sup>th</sup> – please bring your fur babies to church with you for a special blessing
- ◆ The Outreach Committee meets on October 12<sup>th</sup> at 11a in the Meeting Room

As we near the completion of the church renovation in these next couple of months we're grateful to:

- ◆ Debbie for putting up with the constant noise and people in and out;
- ◆ Susie for making sure we never knew there was a renovation by making sure the downstairs looks immaculate;
- ◆ Jeff Fowler and the members of the Properties Committee for being willing to be present to answer and ask questions throughout this process;
- ◆ Dave Schoewe for stopping in to look at the progress of the work and check in with the contractors;
- ◆ Amy Fox, Mary Hartz, Barby Gravengaard, Jenny Schoewe, and Nanette Guss for their thoughtful care and concern of helping move this project along and sharing their time and talents in making the church look as beautiful as it does!

See you in church on Sunday,

Fr. Seth | Rector

# Church Renovation

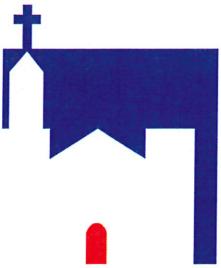

In this seventh installment we are witnessing some of the finishing work.

August saw the trim installed opposite the organ console, the stonework completed on the wainscoting, the ceiling plastered in and painted, and some of the paint on the nave walls and trim.

September and October will see a lot of the finishing bits coming together:

- Sanctuary painted,
- Staining of the woodwork and steps,
- New banisters installed in the balcony,
- The flooring being installed, and
- The return of the pews.

As always, if you have any questions or want to stop up before or after Mass on the weekend please know you are more than encouraged to do so!

# Children's Chapel

Every 1st and 3rd Sunday

For children Preschool through 3rd

We are in need of some help to lead Children's Chapel on the 1<sup>st</sup> Sundays of the month.

A love for Jesus and completion of Safe Church Training is all that is required.

## **Grace Episcopal Church Outreach Grant 2024**

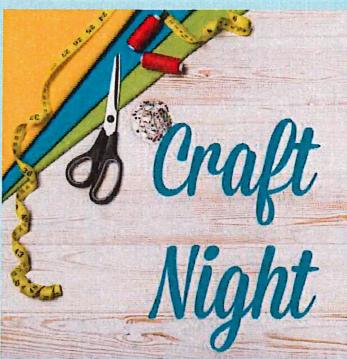

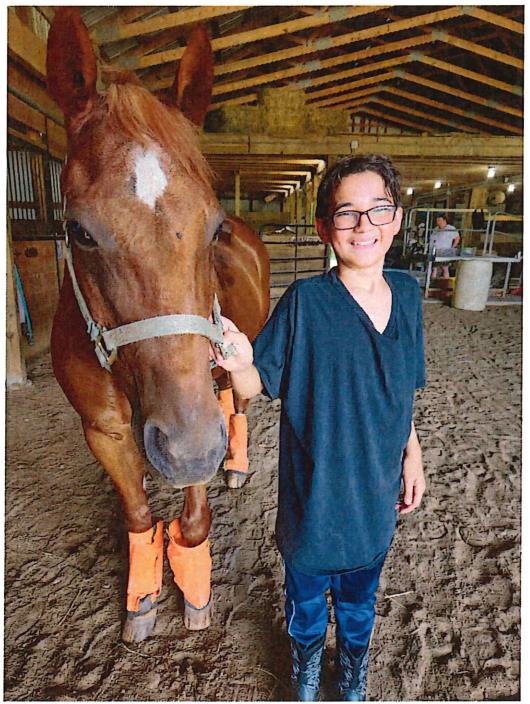

### **Boots to Grasses Therapeutic Horsemanship Program**

Boots to Grasses Therapeutic Horsemanship Program would like to thank Grace Episcopal Church for their grant of \$1500. This generous grant, in addition to other donations, has enabled our program to purchase a new therapy horse – a beautiful Halflinger! As our program has grown exponentially over the past 9 years, the requests for our therapeutic horsemanship services have increased to the point that our waiting list is extremely long. In addition, 2 of our lead therapy horses are over the age of 20. These combined issues highlight our need for a new equine addition to our program. As much as we try to rescue/adopt animals for our program, the search for a therapy horse candidate is complex and often their purchase price is expensive - especially in today's skyrocketing horse market. To state the issue plainly, most horses are not cut out to be therapy horses! We must travel and assess many horses for the unique qualities required for the work Boots to Grasses engages in. The right horse must be "aged" (over 10 years old - many horses live into their 30s), not triggered by external/audial input, non-head shy, and generally willing to accept leaders and side walkers to support the needs of our clients in the saddle.

Boots to Grasses Therapeutic Horsemanship Program is a 501c-3 organization - serving participants at our farm in Berlin Heights, Ohio, founded in 2016. Therapeutic Horsemanship/EAAT – Equine Assisted Activities and Therapies - has provided social, educational, and recreational opportunities to individuals facing challenges for more than a century. By utilizing the special bond between humans and horses, Therapeutic Horsemanship can benefit participants of all ability levels. Boots to Grasses encourages participation of any person - regardless of age or challenge. The discipline of Therapeutic Horsemanship encompasses not simply riding horses but also working to form a bond with the horse on the ground. Classes are taught in a private or group format by a PATH International (Professional Association of Therapeutic Horsemanship) certified instructor with a Bachelor's of Science in Equine Studies and Therapeutic Horsemanship from Lake Erie College - in conjunction with trained volunteers.

Boots to Grasses accepts any participant in our community who is facing a physical, mental, personal, or health challenge. Our enrolled riders enjoy weekly horsemanship sessions on our Berlin Heights Farm. BtG also strives to provide further enrichment and bonding activities for our "BtG Family"! We provide much needed inclusive events with understanding and accommodations for our friends with different needs - such as; The BtG Easter Egg Hunt, Fall Family Fest, Apple Picking Adventure, movie theater trips, Christmas Cookie Decorating Extravaganza, the annual springtime visit to Equine Affaire in Columbus, and our always greatly anticipated Annual Field Trip! We are proud to be a certified provider for the Erie, Huron, and Lorain County Boards of Developmental Disabilities. Boots to Grasses works with groups from Head Start, Christie Lane Industries, and The Link. We are also happy to report that from 2017-2025 BtG has worked with Ability Works Summer Teen Program in which we train young adults with challenges in barn and equine management. Our Ability Works Youth Groups spend 12 weeks with us each summer learning and working. The 2025 Annual Boots to Grasses Easter Egg Hunt welcomed 68 special egg hunters and their families for a ton of ability friendly fun! As the 2024 holidays approached, we photographed and published our annual online Advent Calendar and enjoyed our time sharing our home grown potpourri and handmade soy wax candles at the Mulberry Creek Christkindlmarkt.

The continuing generosity of Grace Episcopal Church is greatly appreciated by everyone in Boots to Grasses. Thank you for your support of so many worthy organizations in our area!

We will be having a Craft Night sometime in October. At the time of this newsletter printing, ideas are still in the works. Stay tuned to the weekly bulletin announcements for more details.

Our next Euchre Night will be **Sunday, September 7<sup>th</sup>** starting at 5:00pm.

Bring a partner or just bring yourself (we'll find you a partner). Don't know how to play but want to learn? We will have a table and teachers there for you. The fun starts at 5:00pm in the Mary Simpson Room.

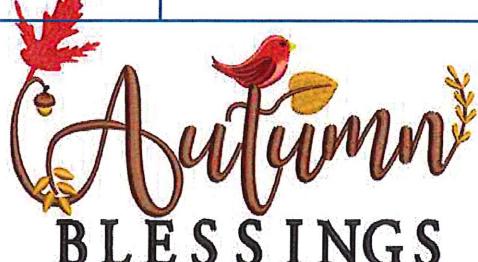

Pizza will be provided. Please sign up on the sheet outside the church office so that we can be sure we have enough for everyone.

If you want to bring your own "refreshment", you are most welcome to.
